HELLO & WELCOME

Welcome to my 2024 upgrade pricing list.
I always include 5 digital images with your session fee
but if you struggle to choose I have upgrade collections
just for you.

Included in the top packages I have lovingly selected
beautiful professional prints that will stand the test of
time and bring you and your family joy for many years
to come. You want to proudly display your family
pictures in your home, not store them on hard drives,
or tucked in a drawer on a USB.

I provide you with an online gallery so that you can
view your images from the comfort of your home at
your leisure so you can choose your favourites without
feeling under any pressure.

Please do get in touch if you have any questions or need
any help choosing.
